Working to INform Guide and Support Those Who Have Been Sexually Abused Within the Fellowship of Friends and Workers

# **British Columbia Ex-worker Lee-Ann McChesney Arrested**

In January 2023, after reading a newspaper article exposing child-pornography and CSA within the fellowship, a woman (born & raised in the fellowship) came forward and disclosed her own experience of sexual assaults that occurred in both Terrace BC and Delta BC when she was a minor.

In May 2023 a victim statement was made with the RCMP which led to a thorough investigation of CSA allegations against Lee-Ann McChesney relating to conduct that occurred during her time in the work.

In November 2023 the investigation was completed and handed to Crown Counsel for charge assessment. After the Crown determined that there was enough evidence to charge, a warrant was issued on Jan 18, 2024 for the arrest of the Lee-Ann McChesney.

McChesney was arrested Tuesday January 23, 2024 on charges of Sexual Assault and Sexual Exploitation.
