Letter to Montana meeting

WINGS Note:

This Letter from church leadership in Montana/Wyoming/Oregon/South Idaho was sent to the members of a meeting in Montana. The elders of that meeting expressed to the ministry that they cannot currently support the ministry, but did not request for their meeting to be disbanded.

Dear Friends in the Meeting,
2024

July 3,

We feel we need to be in touch with each of you in [redacted] and [redacted] Sunday and Wednesday meeting. [redacted] & [redacted] have been in touch by email. They said, "We have been moved, without any doubt in our hearts, to step aside from the purview of the ministry at this time." They did clarify this by saying, "The Spirit of God no longer moves us to associate with, and support a ministry who is not willing for serious self-examination and genuine repentance." Our hearts are deeply saddened. The ministry was established from heaven even before fellowship and it is something that we cannot change. We absolutely know there are individuals that horribly abused place and power in the ministry and in the fellowship and have caused great harm. We cannot remove the ministry nor fellowship that God established, but rather the individuals that commit horrible abuse. You cannot have the fellowship without the ministry.

We feel each one of you should know about this and have the opportunity to declare your choice, whether to continue attending meetings at [redacted] and [redacted] home or move to a meeting that believes and follows the doctrine that was established, not by individuals, but by the God of heaven through Jesus, to the ministry. There is room in the other Sunday meetings, so please feel free to contact us IF you are wanting moved *from* the [redacted] meeting. There will also be a new Wednesday morning meeting home, and we are in the process right now of sorting this out. Thank you for your patience with us as we seek God's guidance and help.

We are not in the field, but after input and advice from Doyle and Tom we felt this shouldn't wait till we are back in the field. I have phone service in Canada and will visit with anyone that needs/wants to visit via email, text or phone.

These are truly difficult times, but God in his infinite wisdom and time makes things very clear... There has to be a separation if we do not believe in what God established. We need your prayers so desperately.

With care,

Doyle, Tom
