

Alan Hand Ontario Canada

.
Alan Hand, a member of "The Truth" in Ontario, Canada, was removed from all meetings last week.

.
Alan has been named in several separate allegations of childhood sexual abuse. Some of these allegations were brought to church leadership over 30 years ago, and nothing was done. This process was repeated in 2009, with the same result. Last week, leadership listened to survivors' pleas, and asked Alan to no longer attend.

.
If you would like to report abuse by Alan or anyone else, please contact the authorities in the jurisdiction in which the abuse happened.
