

## **Braydon Dutton removed from work**

Message from Scott Rauscher April 14

Braydon D. is now with his folks here in Billings.

He will take time out of the work.

We are deeply grieved that these necessary steps are being taken. Braydon will need to remain out of the work at this time.

We are encouraging him to get needed counseling and therapeutic help for his inappropriate & unbecoming behavior.

Braydon has terrible remorse that he has caused such great concern & harm.

We do not believe that there are any criminal acts involved.

We will support him as best we can to go forward and find his steps ordered in the right direction.
