

Hazel Williams steps aside

Good morning everyone.

This morning, it's with a very heavy heart that I send this message to you all.

We need to pass on a little note to everyone. to say that Hazel feels that it's time for her to step aside from the work, partly because there has been an allegation brought against her. from many years ago, so in this time of stress, it seems that, this is the best decision to make. We're very sorry that she has had to come to this decision, but we do agree that it's probably the best choice for her right now.

Your brother, Carson
