

Howard E Ferguson – CSA offender in Wisconsin

May 23

In 2004 Howard Ferguson was convicted of First-degree Sexual Assault of a Child; Child Enticement; and First-degree Sexual Assault of a Child. He was sentenced to a 15 year jail term for assault of a boy. Som action occurred on a church outing.

WINGS understands that Ferguson has been attending meetings in Wisconsin since his release. The workers started a chaperones program for Ferguson. Chaperones are supposed to take convicted CSA offenders to gospel meetings and sit by them. Numerous friends volunteered to be chaperones but they haven't always followed the chaperone rules. A number of families with children were not comfortable meeting with the offenders and simply stopped coming to meetings.
