Dear friends,

We are sorry to send this note, but feel we should let you know there are allegations against Robert Flippo of inappropriate conduct with women. Even though some things happened many years ago, it has now been deemed best that he not be active in the work.

Additionally, as a reminder, if you have been a victim of abuse, you can visit RAINN.org or call their hotline at 800. 656.HOPE for information on reporting to authorities and for support services. Also feel free to reach out to us if you need additional support.

With care,

The VA/MD/DE/NC Staff

WINGS Note:

Robert Flippo has been laboring in Maryland in 2023. In previous years, he has been in Virginia, Pennsylvania, Georgia, and North Carolina. He also spent time as the overseer of Georgia.
