Stacy Bainbridge

Just so you all know we sent this email out to Jonathon Freeburn Yesterday.

Dear Jonathon,

As you have said people are uncomfortable and in bondage because of our open stand against abuse in the ministry.

We have decided that the Sunday meeting be removed from our home and moved to a home where these people will feel comfortable attending. We have considered it a blessing and great privilege to have had meeting in our home for almost 30 years. However we do not wish to hinder anyones fellowship.

We will appreciate your prompt attention to this matter.

Sincerely,
Bob and Stacy

It's amazing how quickly they can respond when it fits in to their agenda Response less then 24 hrs later not from Jonathon but from Jean.
The meeting will be changed for next Sunday
