

Suzanne Hunt regarding the 2x2 hypocrisy of denying remarried folks taking part in meetings but actively supporting pedofiles right to taking part in the same meeting

@Pamela thanks for posting the link on divorce and remarriage. It explains it better than I've heard it explained before. I've always wondered why murder could be forgiven, and a murderer have part in meeting and not a divorced person. It didn't ever make sense to me. It saddens my heart to think of how many people have been hurt by this ridiculous interpretation that we have lived under.

II Corinthians 11:14-15

"God warns His people to avoid counterfeits. Here Paul explains the source of counterfeit religion—Satan, the master counterfeiter. He deceives the whole world (Revelation 12:9). He disguises himself as the angel of light that he once was (Isaiah 14:12 ; Ezekiel 28:12-15)."

- **It's also mind-boggling to think that these overseers would deny a divorced person the right to meeting and taking part, because "they wouldn't want to give any young person the idea that that was acceptable" 😞 😞 😞 ... meanwhile supporting a pedophile's right to come to meeting and take part.**
